Industry Insights - Downloadable Research Brief

Approved Projects & Infrastructure Pipeline

Approved Capital Projects and the Skills They Will Absorb

June 2026 | 32 pages | Audience: Investors - Employers - Students

SUMMARY

A consolidated view of approved and funded projects, annotated with the trades each one requires across construction, commissioning and operational phases.

KEY POINTS IN THIS BRIEF

- Trade demand mapping for every project phase
- Regional distribution of expected job creation
- Lead times between approval and first trainee requirement

TAGS: Projects | Pipeline | Trade demand

PLACEHOLDER PDF: this file is generated so every download link resolves. Replace it by saving the final report over `public/reports/approved-capital-projects-skills-map.pdf` and committing - the CI pipeline republishes the static site automatically.
