## **Regional Access to Accredited Training: The Distance Penalty**

January 2026 | 23 pages | Audience: Policymakers - Parents - Institutions

### **SUMMARY**

Training access is not evenly spread. This brief measures how far learners must travel for accredited programmes - and what that distance does to completion rates.

### **KEY POINTS IN THIS BRIEF**

- Accredited programme density by region
- Accommodation, transport and completion correlations
- Where a satellite workshop would change the most outcomes
