Upskilling the Existing Workforce: Practical Routes

October 2025 | 19 pages | Audience: Employers - HR - Employees

SUMMARY

Most of Botswana's 2030 skills gap will be closed by people already working. We map recognition of prior learning, modular certification and in-plant training.

KEY POINTS IN THIS BRIEF

- Recognition of prior learning pathways explained
- Modular and part-time training options by trade
- Cost and downtime comparison across delivery models
